RE: Robert Hogan (a.k.a Christopher May-Shaw) v. City of
New York, et al., 17-cv-5591 (KAM) (LB); Settlement

Dear, Ms. Depoian,

I am writing this Communique for the above
described ~~letter~~ reference. I am submitting a Second Settle-
ment letter to resolve the Constitutional violations by the
Defendants in the § 1983 Civil Complaint.

I have forwarded this office a settlement agree-
ment, which I did not get a response. However, I did
contact Ms. Millar, who advised me (via telephone) that
such settlement agreements were handled above her.

With all due respect, I am requesting to settle this civil matter in the amount of \$100,000 (one-hundred thousand) to avoid any future filings regarding this matter. With this agreement, I would also drop another lawsuit against the City of New York, pending in the Comptroller's office asking for one million dollars due ^{to} other 67th Precinct officer's violating my Constitutional rights, that I plan to move and file with the Federal Courts.

This request of a settlement for \$100,000 is more than fair for the treatment of the Defendant's in violating my Constitutional rights, as well as my year fighting the criminal charges at Rikers Island.

Please consider my request.

Respectfully Submitted,
Christopher May-Shaw
